**Note** **WE NO LONGER ACCEPT PAGEMAKER FILES.** If you have a PageMaker file, please save the PageMaker document as a high resolution .pdf file.

**Font Info** **Convert Text to Paths (outline art).** (Text that becomes an object and can no longer be edited as text.) **If this is not possible,** send in all **Screen and Printer Fonts** used for all art.

**File Info** **You *must* include all EPS, TIF, JPG and PDF files used in creating your document.** We need a copy of every file used in creating the document. Always keep a copy of the file(s). **DO NOT send your only copy!** We can accept compressed files: **Stuffit (Mac); .zip (PC)**

**Colors** When assigning a color to art or text, please use a **Pantone®** color. This will work for process or spot colors.

**Preferred Media** DVDs      100mb ZIP      250mb ZIP      750mb ZIP  
 CDs      USB Pocket      Jump Drives  
 E-mail files to **mgi@moderngraphics.com** (10 mb max total file size)  
 FTP files to: **ftp.moderngraphics.com** (call ahead for username and password)  
 Or we can download files from your FTP site, just give us the log in information.

**NOTE:** Following these instructions does not guarantee the art will output.

**Additional Info** **When sending computer generated art, include the following:**  
**YOU MUST INCLUDE A HARD COPY OF THE ARTWORK** and special instructions.

Computer generated artwork is simply a matter of saving and copying onto a disk.  
**REMEMBER: DO NOT SEND AN ORIGINAL FILE - MAKE A COPY!**

Computer needs and technologies are ever changing, if you have any questions or special needs please call **Kevin Emerson** at **1-800-248-3984 x731.**
